

Veterans Get Help at SWOSU with Higher Educational Goals

06.20.2013

Southwestern Oklahoma State University in Weatherford has been listed as a military friendly school for the past four years.

SWOSU does have a person on campus that helps veterans with filling out paperwork for their GI Bill as well as guidance in the enrollment process.

Christina McClane serves as veterans' affairs coordinator and her office is located in the Registrar's office in the Administration Building.

McClane said SWOSU had 145 veterans enrolled in classes on the Weatherford campus during this past spring semester. The most popular major of choice for veterans is Parks and Recreation Management.

McClane can be reached at christina.mcclane@swosu.edu or 580.774.3008.
